**Mechanics Needed
Tractor/Trailer**

www.lptransportation.com

L.P. Transportation, Inc. has been in the transportation business for 100 years and is still growing. We are currently seeking experienced mechanics and apprentice mechanics that can service our tank fleet and help us with our growing LPG & fuel truck repair business.

Potential candidates should have a minimum of 2 years experience with truck-tank repairs. Experience with propane delivery trucks is preferred but not required. Trade school graduates are welcome to apply.

We offer:

- 401K Plan with guaranteed company contributions
- Employee contributions for an excellent family medical plan is only \$55.00/week. Plans for singles are only \$40.00/week.
- Uniforms, work shoes & tool allowances are provided
- Factory on-site training & CDL-A training provided at no cost
- Pay based on experience and performance
- Overtime hours available for extra income
